Proudly Canadian

## Kingsley Jeyaseelan

**A skilled response saves a life**

We would like to commend Kingsley Jeyaseelan. Mr. Jeyaseelan is the Site Supervisor at Morguard - Centrepont Mall. His response saved a man's life.

Recently S/S Jeyaseelan was contacted by the staff at one of the mall's tenants about a male on the floor who was bleeding and not breathing.

S/S Jeyaseelan jumped into action, contacting 911 and approaching the individual. Utilizing his first aid skills, S/S Jeyaseelan assessed the situation and began CPR and use of the site's AED. After several minutes of compressions and three AED defibrillations, the man began breathing. This was just in time for Toronto EMS to arrive and continue First Aid Care.

His training, calm demeanor, and professionalism all shone through during this difficult event. S/S Jeyaseelan is commended for his actions and has won the 2022 Q3 the Canadian Security Lifesaver Association award.

Awesome work Kingsley!

## Team rescues toddler

**Sean Henry - Nicholas Baker - Ashlyn Proeller - Shannoy Campbell**

On July 29th, 2022, Security Dispatch Coordinator Ashlyn Proeller received a call from the General Manager of the Moxie's located at Bramelea City Centre for a major medical incident.

S/D Proeller advised all available security to attend Moxie's and placed a call to 911 advising them of the situation.

Security Guard Sean Henry was the first to arrive. He observed a toddler wheezing and struggling to cough, advised the primary caretaker that he was first aid certified and asked if he could assist. S/G Henry administered multiple back blows to the toddler, who then began coughing loudly and crying. At this time Security Supervisors Nicholas Baker and Shannoy Campbell arrived.

S/S Campbell resumed back blows, as the toddler's cough became quiet, and it was believed the obstruction was again becoming an issue. They were successful in dislodging the obstruction from the toddler's throat.

Rapid Response arrived on scene and care of the toddler was swiftly transferred over. Rapid Response conducted an assessment and observed the toddler to have normal breathing and good vitals. EMS arrived on scene and transported the victim and primary caretaker to Brampton Civic Hospital for further assessment.

Thank you BCC Security for your quick response and diligence!

## Christmas/New Year's Vacation Time Policy

As you are no doubt aware, the security industry operates 24 hours a day, 7 days a week.

Our clients have a right to expect experienced, well-trained officers who are supported by supervision and management. This is especially important during emergencies, i.e. fire, floods, power outages, as well as the Christmas season when the majority of our clients will not only require their normal coverage but may require additional staff for extra security coverage.

For the above reasons, we have implemented the following policy that will apply to all staff members.

Please be advised that we cannot approve any requests for Vacations or Leaves of Absence over the Christmas and New Year's Holiday period. This holiday season any/all requests for vacations or leaves of absence that include days between December 12, 2022 and January 2, 2023 will have to be denied.

We apologize for any inconvenience caused to our employees and/or their family members. Thank you for your understanding, support, and cooperation.

It doesn't matter if you're a Mo Brother or a Mo Sister, we can all team up for the month of November. Join us and help stop men from dying too young.

It's easy to join, visit the Movember website and create a profile (if you don't already have one). Then find our Team: ParaGONE Wild!

A photograph of a vast field of red poppies stretching to the horizon under a sunset sky. The sun is a bright orange orb on the horizon, casting a warm glow over the scene. The poppies are in various stages of bloom, with some fully open and others as buds. The sky is a mix of orange, yellow, and soft blue.

## *In Flanders Fields*

BY JOHN MCCRAE

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie,  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.
